Issue 57  
Spring 2025

**Report by the Mayor of St Blaise Town Council.  
Councillor Tony Nethercott.**

Since my last report we have had Christmas and New Year, I hope you all enjoyed the festivities.

This year's Carol Concert was on Sunday 8<sup>th</sup> December which went very well and the Church was pleased with the collection so I would like to thank all of you that attended.

I attended Rev. Jules last service on Christmas Day at St Blazey Church and wish her well for the future.

I attended the Christmas Day lunch at Cornubia, everybody was enjoying themselves. I would like to congratulate the Cornubia team.

Due to bad weather work on Trailblazer Park was delayed but all the new equipment has now been installed, we are waiting

for the grass to dry out, we will be holding an opening event on Sunday 23<sup>rd</sup> March at 5.00 pm. It would be great to see as many of you as possible. We will be laying on some refreshments.

We have had new lighting installed in King Edward Gardens but unfortunately within one-week rocks have been thrown at it and it is now damaged. It is a shame that one or more vandals are ruining the park for everybody else.

The Town Council has been given permission to take on the maintenance of the War Memorial at St Blazey Church and we hope to see improvements there shortly.

We continue to hold Council Surgeries held at St Blazey Community Rooms(old police station) on the first Saturday of each month from 10:00 to 11:00 where two councillors will be in attendance to take note of any complaints, comments or suggestions all these are discussed at the next Council Meeting and an answer provided if not acted on sooner.

We on the Town Council are here to help you the residents to make St Blazey a better place to live, work and play, but we do need your input, it's no good complaining or making suggestions on social media alone, we may not see the post, either contact the Town Clerk or pop along to a Council Surgery, if we don't know about a problem then there is nothing we can do about it.

On May 1<sup>st</sup> this year there is to be local elections, if you think this is something you may be interested in, please contact the Clerk. St Blaise Town Council needs all kinds of people to

stand to become a Councillor. The qualities you need are a desire and passion to make a difference and improve the community you represent. If you are passionate about your local community, we need you. Councillors make a huge difference to the quality of life for local people. We need people from all backgrounds and experiences who reflect the whole of the town to stand for election.

Councillors play a vital role in shaping and directing the effectiveness of local services for the benefit of local people. They work with public, private and charitable bodies to improve their community.

The role of a Councillor can be varied at the best of times. Your council is the voice and champion of the parish. Being a local councillor can be exciting, intimidating, interesting and even frustrating at times. Above all it is a chance to make a real difference in the place where you live. You will be asked to keep an open mind and take part in decision making for your area including spending money for local services and facilities.
